

Fulin Guo

fg400@cam.ac.uk ◇ +44 7529275181 ◇ <https://www.fulinguo.com>

Education

University of Cambridge

PhD in Economics

October 2021 - June 2025 (Expected)

University of Cambridge

MPhil in Economic Research (with Distinction)

September 2020 - July 2021

University of Chicago

MA in Computational Social Science (GPA: 3.925/4)

August 2018 - June 2020

Huazhong University of Science and Technology (HUST)

BA in Economics (GPA: 3.90/4)

September 2014 - June 2018

Research Interests

Microeconomics, Networks, Behavioral and Experimental Economics, AI in Economics

Working Papers

Behavioral attenuation in networks (Fulin Guo, Syngjoo Choi, Sanjeev Goyal, and Frédéric Moisan)

GPT in game theory experiments, *arXiv preprint arXiv:2305.05516*, 2023,

Experimental evidence on group size effects in network formation games (with Syngjoo Choi, Sanjeev Goyal, and Frédéric Moisan),

Experience-weighted attraction learning in network coordination games

The role of individual and environmental factors in intergenerational transmission

Teaching

Teaching Assistant (MPhil - R100 Microeconomics)

Employer: Professor Matthew Elliott, Faculty of Economics

September 2022 - June 2023

University of Cambridge

Publication

Impact of community opening based on road splicing, *Chinese Journal of Engineering Mathematics* (in Chinese), Vol. 33, Supp.1, December 2016, P110-122 (with Yunwen He and Yong Zhang)

Employment

Research Assistant

Employer: Professor Sanjeev Goyal, Faculty of Economics

April 2022 - December 2022

University of Cambridge

Research Assistant

Employer: Dr Richard Evans

April 2019 - December 2019

University of Chicago

Academic Service

Referee for Management Science

Presentations

Networks Workshop, Faculty of Economics, University of Cambridge	11/2024
EEA-ESEM Congress in Barcelona, Spain	08/2023
World Meeting of the Economic Science Association in Lyon, France	06/2023
Asia-Pacific Economic Science Association Conference in Seoul, South Korea	05/2023
Theory Workshop, Faculty of Economics, University of Cambridge	02/2022, 11/2022, 04/2024

Awards and Scholarships

Faculty Trust Funding, University of Cambridge	07/2024
Cambridge Trust & Janeway Institute Scholarship (full scholarship), University of Cambridge	07/2021
Two-Thirds Tuition Award, University of Chicago	07/2019
Social Sciences Scholarship of Half Tuition, University of Chicago	04/2018
National First Prize and Outstanding Paper Prize (winning rate: 16/31199), China Undergraduate Mathematical Contest in Modeling	12/2016

Extracurricular Activity

EnterpriseTECH Student at Cambridge Judge Entrepreneurship Centre

January 2024 - March 2024

EnterpriseTECH is a programme focusing on the potential commercialisation of early-stage technologies. It teaches entrepreneurial skills to students and researchers from all backgrounds across the University of Cambridge and other institutions.

Skills

Technical Skills: Python, L^AT_EX, Github

Languages: English (fluent), Chinese (native)
